EDWARD E. BATES OF WARNER, MAYOUE BATES & MCGOUGH

I and my clients have had the pleasure of working with Tom Hawkins for approximately 20 years. In my years of practicing law, I have used many investigators. However, none has approached the level of professionalism that Tom and his team consistently exhibits. He is more than just skilled, thorough and fair. He is a partner offering advice and suggestions aimed at achieving the best results for the costs involved. If there is a private investigator better than Tom Hawkins, I have not met him.
